4TH ANNUAL CONFERENCE

Improving the Health of Individuals and Families Living with Sickle Cell

Day 1: Friday, September 11, 2015, 8 a.m. – 5 p.m.

Adult Focus
Purpose: Day 1 is designed to provide knowledge about the common medical and psychosocial complications of SCD in adults living with SCD.

Day 2: Saturday, September 12, 2015, 9 a.m. – 4:15 p.m.

Pediatric Focus
Purpose: Day 2 is designed with a special focus on children and adolescents living with SCD. Content provides knowledge about the common medical and psychosocial complications associated with SCD, in pediatric patient populations.

Target Audience: Parents, family members, interested community members who are caregivers for children and adolescents affected by SCD. All healthcare providers (including Nurses, Social Workers, Therapists, Pharmacists, Physician Assistants, Physicians, and others), medical and nursing students.

Note: Childcare and supervised age-appropriate activities will be provided on Day 2 ONLY for children (ages 3–10 years old) and adolescents (ages 11–14 years old). Space is limited. More information coming soon.
