# holiday wish come true

**THE WISHING TREE** is an angel tree program to support seriously ill children and their families during the holidays. It also provides a meaningful holiday activity for companies, schools and groups of all sizes. Ornaments offer gift ideas for children, siblings and parents who will be staying at Ronald McDonald Houses in Durham and Raleigh this Christmas. They also provide food and household items needed to operate our Houses and hospital-based Family Room programs.

- \* Encourage your co-workers, customers, students, members, friends & family to purchase items listed on the ornaments. Duplicates are welcome!
