What is the PDC?

The Professional Development Council serves as the educational governing body for the health system to determine educational needs & methods for various topics/rollouts.

How does PDC work with the other DUHS Shared governance councils?

Generally after an item goes through the DUHS CPC, the sponsors will bring it to PDC with an education plan and ask for recommendations and ideas.

Why should I join PDC?

To have a voice in how education is disseminated to the health system.

What is in it for me?

Interdisciplinary collaboration on health system goal-related initiatives.

What will I do as a member of PDC?

Provide oversight for DUHS education initiatives related to nursing practice, education, professional development, & more.

What would my time commitment be to PDC?

The meetings are once a month for 90 minutes. Face-to-face or WebEx.

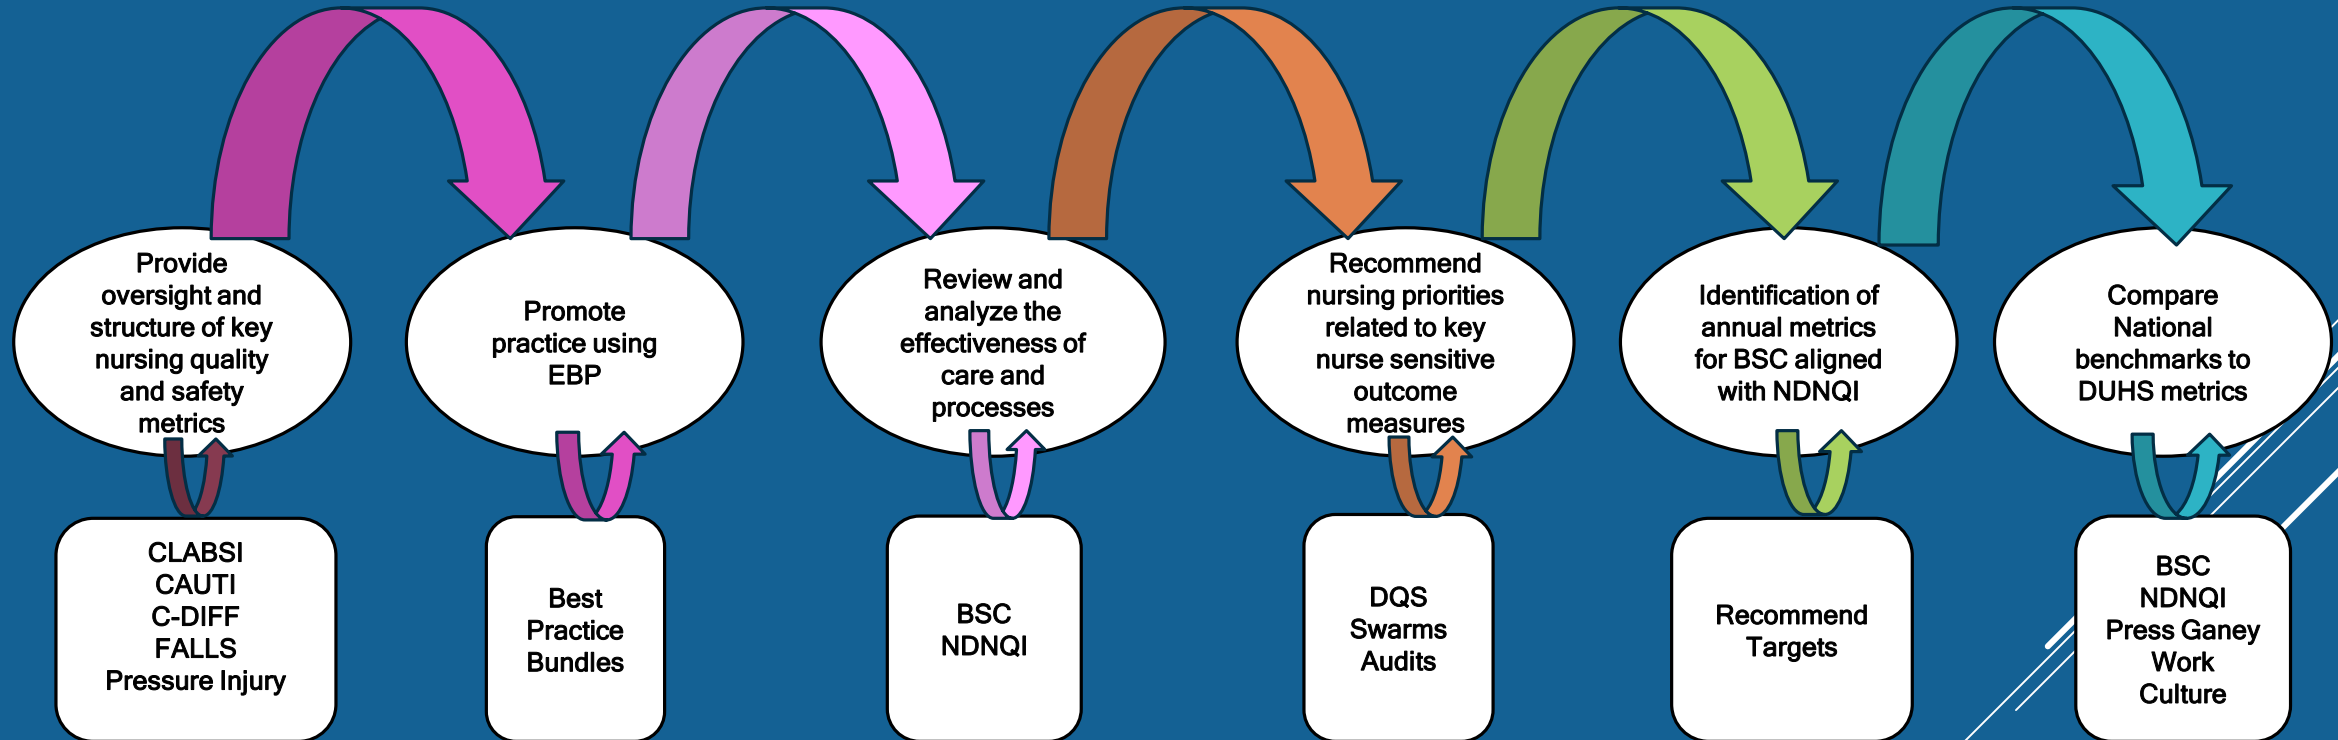

The Professional Development Council

Meets monthly, 4th Thursday from 1:00-2:30 pm (WebEx available)
