

## **2021-2022 IPEC Grant Recipients**

Duke Health Center for Interprofessional Education and Care (IPEC) is pleased to announce the 2021-2022 grant recipients. Each grant was evaluated based on its development of interprofessional learning experiences for students that address the IPEC priorities including justice, diversity, equity, inclusion, well-being, and community engagement. We want to congratulate the three IPEC Grant recipients!
