

Promoting excellence in the education of health professionals

DUKE **AHEAD** PRESENTS:

CLINICAL TEACHING: EFFICIENT, EFFECTIVE, & FUN A TWO-PART SERIES

This Clinical Teaching program is an interdisciplinary faculty development program for educators in the Duke community who are beginning to teach or who wish to enhance their teaching skills. Through two days of didactic sessions and interactive learning, seasoned educators will share strategies that help make teaching efficient, effective, and fun for learners and teachers.

Session 1

5:00-6:30 pm
October 20, 2016

Session 2

5:00 – 6:30 pm
October 25, 2016

Topics include:

- Time management for teachers
- Identifying and use of teachable moments
- Development of learning objectives
- Documentation strategies with learners
 - Feedback for learners
- Professionalism and fostering a good learning environment

Dinner will be served at both sessions

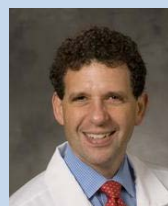

Presenters include:

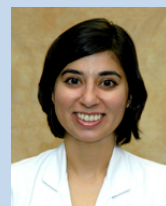

Laura Caputo, MD

Iris Padilla, PhD, FNP-BC

Bruce Peyser, MD
