

## Duke Chapter – American Assembly of Men in Nursing

Duke University School of Nursing

Voted AAMN Best School for Men in Nursing – 2010 • AAMN Presidents Award of Excellence – 2014

Open to nurses and nursing students of all backgrounds. The Duke Chapter of the American Assembly of Men in Nursing is committed to supporting the diversification of the nursing profession and influencing research and education about men in nursing.

### **The Duke Chapter of the American Assembly of Men in Nursing:**

- Encourages men of all ages to become nurses and join together with all nurses in strengthening and humanizing health care.
- Support men who are nurses to grow professionally and demonstrate the increasing contributions made by men in nursing.
- Advocate for continued research, education and dissemination of information about men's health issues, men in nursing, and nursing knowledge at the local and national levels.
- Support members' full participation in the nursing profession and its organizations.

## Duke Chapter – American Assembly of Men in Nursing

Become a member of the Duke Chapter of the American Assembly of Men in Nursing! Join nationally recognized nursing programs that are leaders in fostering diversity and inclusion within the nursing profession.

We are active in annual community outreach and organizing, and participate in charitable and health education related events. Whether we are encouraging high school students to consider a nursing career, conducting health screenings at the local men's shelter, or having a blood donation drive, the Duke Chapter of the American

Assembly of Men in Nursing is at the forefront of Duke Nursing.

The Duke University School of Nursing is one of the nation's leading graduate nursing schools with a male student enrollment that consistently exceeds the national average for male nurses.

At Duke we are reshaping the future of nursing. We create knowledge in the service of society.
