

Duke Health: Empathy, Belonging, & Cultural Education

(Sessions Conducted for Duke University School of Nursing, Health Equity Academy II)

*Presented by Duke Office for Institutional Equity and Duke University School of Nursing Office of Diversity & Inclusion
Provided by Duke University Health System Clinical Education & Professional Development*

Class Description: This class is designed to support achieving and living our values. Diversity, inclusion and cultural competency education allows Duke Health team members to identify and recognize how the umbrella of intercultural awareness is a healthcare imperative. This course fosters and supports how we meet our core value to “care for our patients, their loved ones, and each other.”

Target Audience: All Duke Health employees (clinical and administrative staff). All targeted audience members are eligible for continuing education credit, upon class completion.
