

Duke's Institute for Educational Excellence
2018 CLINICAL INSTRUCTOR (CI) INTENSIVE
For Clinical Instructors, Preceptors, and Lab
Instructors from Undergraduate and Graduate
Nursing Programs

Friday... August 10, 2018
8:45 a.m. - 5:00 p.m.
PEARSON 1026

Upon successful completion of the CI Intensive participants are able to:

1. Discuss strategies for teaching across the generations.
2. Propose ways CIs can provide formative and summative feedback to learners in order to enhance their growth and development in the profession.
3. Analyze strategies for working with challenging student situations in health education.
4. Integrate teaching/learning principles to encourage lifelong learning and knowledge retention.
5. Propose ways to improve student clinical reasoning in health education.
6. Prepare students for the transition to practice.
7. Explore strategies to manage challenging situations encountered with students or clinical staff.
8. Propose ways to build professional relationships in clinical practice.
